# Things you need to know about the Final Exam

*(Final - 12/17/2024 (Tuesday 10:30a-12:30p))*

**Fall, 2024**

# The final exam will cover:

---

7. Lighting and Shadows I
8. Lighting and Shadows II
9. Ray Tracing I
10. Ray Tracing II (Solid Modeling)
11. Texture Mapping II

- Make sure you know how to do each question on HW5, HW6, HW7 and HW8.

The final exam is an **in-person exam** (in our lecture room: 112 MMRB).

If you need extra time for the exam (if you have a letter from DRC), please send email to let me know **before Saturday (12/14/2023)**. You don't take the final exam in our lecture room, you take it at 1pm on the 3<sup>rd</sup> floor of the Davis Marksbury Building. Stop by my office at 12:55pm to get a copy of the exam.

There will be **10-12** questions on the exam. However, some questions have several parts

# Questions?

Send me your questions by email and I will let everybody know the answers if the questions are of concern to other people as well.

A **sample final exam** will be posted on the class website shortly.

Try the sample final exam before or during the weekend to see **what types of questions you would see on the final exam.**

**Solution set** to the sample final exam will be posted on the class website next Monday morning.
